

REPUBLIC OF BOTSWANA

## AGENDA

### Capacity building for the Clean Development Mechanism (CDM)

#### Third National Workshop in Botswana, 23 September 2013 President Hotel, Main Mall Gaborone

The Designated National Authority (DNA) of Botswana, whose focal point is housed in Department of Meteorology Services (DMS), Ministry of Environment, Wildlife and Tourism (MEWT), is organizing the workshop with support from the UNEP Risoe Centre (URC) as part of the African, Caribbean and Pacific Multilateral Environmental Agreements (ACP-MEAs) project.

The workshop objective is to present and discuss PDDs and PINs developed by national and international experts under the project and expose the CDM project portfolio to local bankers, equity investors and other stakeholders in Botswana.

Also, Botswana's CDM Investor's Guide will be presented and discussed in the context of new opportunities to attract climate finance for Nationally Appropriate Mitigation Actions (NAMAS), development of New Market Mechanisms (NMM) and a Framework for Various Approaches (FVA) for an up-scaled global carbon market.
